

Green Spectrum Opportunity Mapping Tree

The Problem

- 5 Minutes
- Write a post-it note for each:
1. What is the specific problem?
 2. Who and what is impacted?
 3. What is the business or sustainability goal?
 4. Where in our services or systems does it occur?
 5. How complex is this problem (Simple, Complicated, Complex, Chaotic)
 6. How ambitious or systemic is this problem (Green Spectrum: Light, Mid, Dark Green)

Project Name

The Problem

- How complex is this problem?
- How ambitious or systemic is this problem?

Opportunities and Responses

- 5 Minutes
- Write a post-it note for each:
1. What realistic responses could help?
 2. Is this about process, product, behaviour, or system?
 3. Which responses are most relevant?

Opportunities and Responses

- What realistic responses could help
- Is this about process, product, behaviour, or system
- Which responses are most relevant

Key Opportunity

Immediate Steps (0 to 3 months)

- 5 Minutes
- Write a post-it note for each:
1. What can we do now with minimal resources?
 2. Who needs to be involved?
 3. How would we know it worked?

- What can we do now with minimal resources
- Who needs to be involved
- How would we know it worked

Key Opportunity

Key Opportunity

Key Opportunity

Key Opportunity

Key Opportunity

Mid-Term Steps (3 to 12 months)

- 5 Minutes
- Write a post-it note for each:
1. What takes more time and planning?
 2. What resources are required?
 3. Who would need to approve or support?

- What takes more time and planning
- What resources are required
- Who would need to approve or support

Potential Solution

Full Project or Long-Term Steps (12 months plus)

- 5 Minutes
- Write a post-it note for each:
1. What is part of a longer strategic project?
 2. What partnerships or big shifts are required?
 3. How does this align with business sustainability goals?

- What is part of a longer strategic project
- What partnerships or big shifts are required
- How does this align with business sustainability goals

Immediate Steps

Mid-term Steps

Long-term Steps

- Problem Statement
- Chosen Solution

- Immediate, Mid, Full timeline actions
- Hypothesis for test

- People involved
- Resources needed

- Success measures
- Simple next step
